## PRODUCT BULLETIN

### QUICK SPLIT 50-NF

#### Non-Foaming Degreaser with Oil Splitting Properties

##### General Description

**QUICK SPLIT 50-NF** is a non-toxic, alkaline blend of non-foaming surfactants and water-based solvents specially formulated to clean oily deposits from hard surfaces. **QUICK SPLIT 50-NF** is formulated with state of the art synthetic detergents to remove oils into an oil/water separating system. This will allow the wastewater to be disposed of in a normal way and the waste oil can be recycled. Dilutions vary with the degree of cleaning required. **QUICK SPLIT 50-NF** is the product of choice for closed loop wash due to its' low foaming characteristics.

##### Application

*For general cleaning:* Use as provided or dilute with water. Apply **QUICK SPLIT 50-NF**, allow ample time for penetration and rinse clean with water.

*For heavy soil:* Dilute 1:1 to 1:5

*For medium soil:* Dilute 1:5 to 1:10

*For light soil:* Dilute 1:10 to 1:20

##### Physical Properties

|            |             |
|------------|-------------|
| Color      | Light Amber |
| Form       | Liquid      |
| Hard Water | Stable      |
| Rinsing    | Complete    |
| pH @ 1%    | < 12.5      |
| Solubility | Excellent   |
