PRODUCT BULLETIN

CITRA CLEAN 643

Citrus Degreaser/Cleaner

General Description

Citrus based cleaners have significantly grown in popularity over the past few years as part of the movement away from traditional glycol ethers and other solvents that are now considered to be greater environmental hazards. Citrus oils are promoted to be a safe, biodegradable alternative which have excellent solvency characteristics. **CITRA CLEAN 643** was developed to provide superior cleaning, yet be environmentally safe.

CITRA CLEAN 643 is a water-soluble, highly rinsable combination of mild detergents, inorganic builders and citrus oils that work extremely well in fresh or brine water. The balanced emulsification system and moderate pH of **CITRA CLEAN 643** are ideally suited for degreasing kitchen and bathroom areas.

Application

CITRA CLEAN 643 is very mild and may be used on any surface not harmed by water. The emulsification properties and moderate pH of **CITRA CLEAN 643** make it ideal an ideal degreaser and dispersant. **CITRA CLEAN 643** may be applied with a mop, brush, or spray. Dilute 2 to 10 ounces per gallon depending on soil load. Allow for penetration prior to washing down or mopping up.

Physical Properties

Color	Yellow to Dark Amber
Odor	Citrus
Density	8.3 lbs./gallon
pH	7 - 8
Freeze Point	~ 32° F

Availability

CITRA CLEAN 643 is available in UN approved 5 gallon pails, and 55 gallon drums.
