

PRODUCT BULLETIN

SUPER BLUE DEGREASER

Water Soluble Heavy Duty Cleaner/Degreaser

General Description

Super Blue Degreaser is an extremely effective non-caustic, proprietary liquid cleaner/degreaser designed for a broad range of applications with special emphasis on extreme oil and grease contamination. **Super Blue Degreaser** is very effective in cleaning oil from precession tools, fabricated parts, aluminum components, circuit boards and silicone wafers. **Super Blue Degreaser** will not harm painted surfaces, and it is safe to use on any surface not harmed by water. **Super Blue Degreaser** is biodegradable, non-toxic, nonflammable, and leaves no residue after rinsing.

Super Blue Degreaser is an eye and skin irritant and proper eye and skin protection should be worn when using this product.

Application

Super Blue Degreaser is a concentrated cleaner that should be diluted with water for best cleaning results. The actual dilution rate depends on the amount and type of soils found on the surface to be cleaned. A suggested dilution rate is as follows:

Steam Cleaning	1 part cleaner to 30 - 50 parts water
Heavy Cleaning	1 part cleaner to 5 -10 parts water
Light Cleaning	1 part cleaner to 10 - 20 parts water

Physical Properties

Color	Blue
Specific Gravity	1.02 - 1.04
Flash Point	None to boiling
pH	11.70 - 12.10
Odor	Mild
Solubility	Water Soluble

Availability

Super Blue Degreaser is available in UN approved 5 gallon pails, 55 gallon drums and bulk quantities.

Handling

Observe warning label on containers. Normal precautions for industrial chemicals apply.
