## PRODUCT BULLETIN

### SPEC SOL 1000

#### Environmentally Friendly Solvent Cleaner

##### General Description

**SPEC SOL 1000** is an excellent alternative to hazardous solvents typically used in a variety of applications. **SPEC SOL 1000** combines excellent cleaning performance with environmentally friendly characteristics and it is effective as a degreaser and carbon remover for brake and piston housings, engine degreasing, cleaning fiberglass resin or adhesive, and general surface cleaning. **SPEC SOL 1000** is low odor, biodegradable, and is not considered a hazardous waste per RCRA. **SPEC SOL 1000** contains no artificial fragrances, dyes or carcinogens and has a flash point above 200°C (212°F). **SPEC SOL 1000** is approved for use for removal of Skydrol® Oil by Boeing (BAC 5750), Airbus (AIMS 09-03-001/IPS 09-03-02).

##### Application

**SPEC SOL 1000** should be used as supplied following equipment manufacturers guidelines. Typically, application by brush, rag, or sponge and wipe until clean.

##### Physical Properties

Color	Clear to pale Straw
Specific Gravity	1.08 - 1.09
Flash Point	> 200°C (212°F)
Odor	Mild
Solubility	55 g/l (20°C)

##### Availability

**SPEC SOL 1000** is available in UN approved 5 gallon pails, 55 gallon drums and bulk quantities.

##### Handling

Observe warning label on containers. Normal precautions for industrial chemicals apply. This document does not purport to address all of the safety concerns, if any, associated with its use. It is the responsibility of the user of this product to establish appropriate safety and health practices and determine the applicability of regulatory limitations prior to use.
